Please check with your telco regarding fees and charges for using data services on your mobile device.

2. Log In

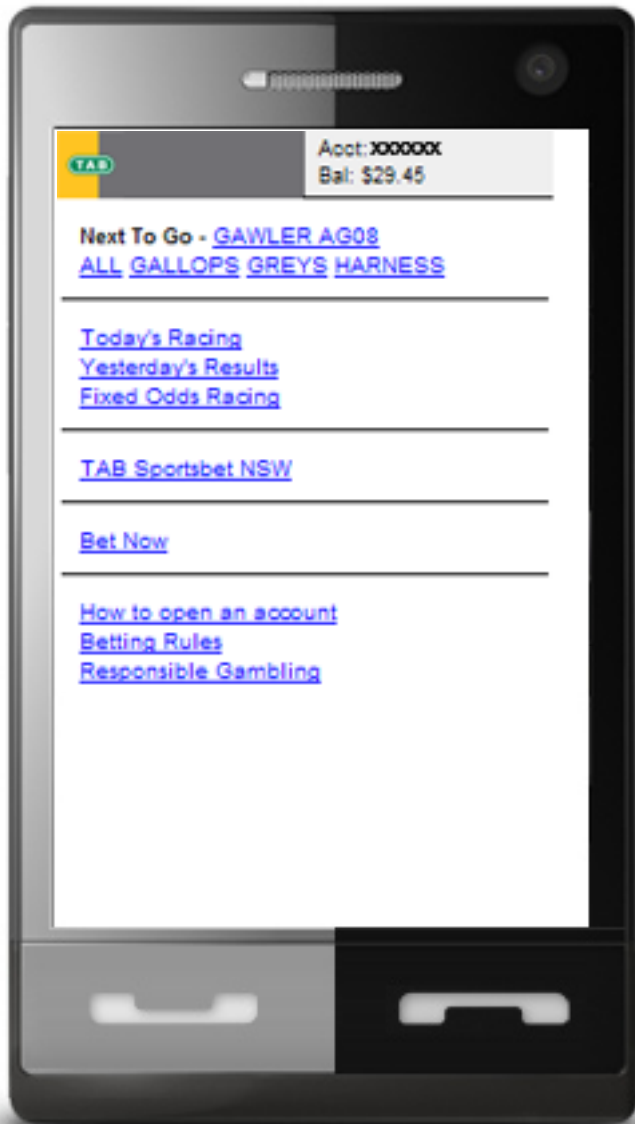

To log in using your TAB Account select Log In at the base of each page of tab.mobi.

You will be prompted for your TAB Account Number and Password. These are the same those you would use to Log In to tab.com.au.

After successfully logging in, your TAB Account Number and your Account balance is displayed at the top of each tab.mobi screen.

*The images of mobile phone and its contents are for illustration purpose only.

Please check with your telco regarding fees and charges for using data services on your mobile device.

3. Racing Home

By selecting either Racing VIC or Racing NSW, the Racing Home screen will be displayed.

From the Racing Home screen you are able to start placing a bet via several methods;

1. Next To Go

You can access the next race to go or the next 5 races to go filtered by meeting type

2. Today's Racing

You can access all races for today sorted by meeting type.

3. Bet Now

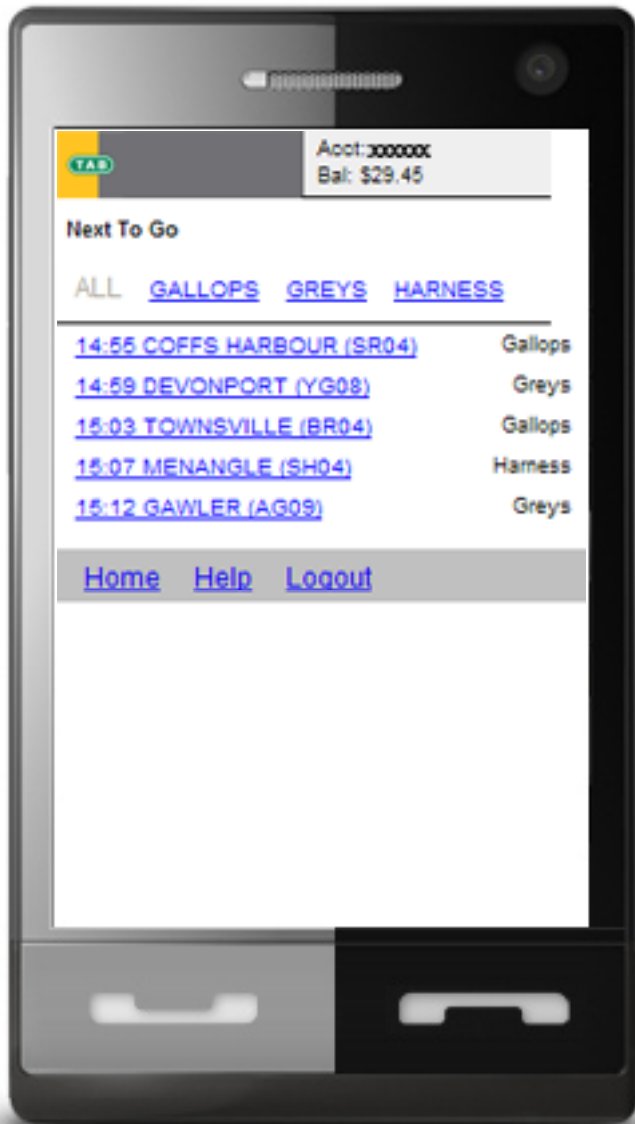

If you know what bet type and what race you want to bet on, select Bet Now.

Yesterday's Results and Fixed Odds

Betting are also available from the Racing Home screen.

*The images of mobile phone and its contents are for illustration purpose only.

Please check with your telco regarding fees and charges for using data services on your mobile device.

4. Next To Go

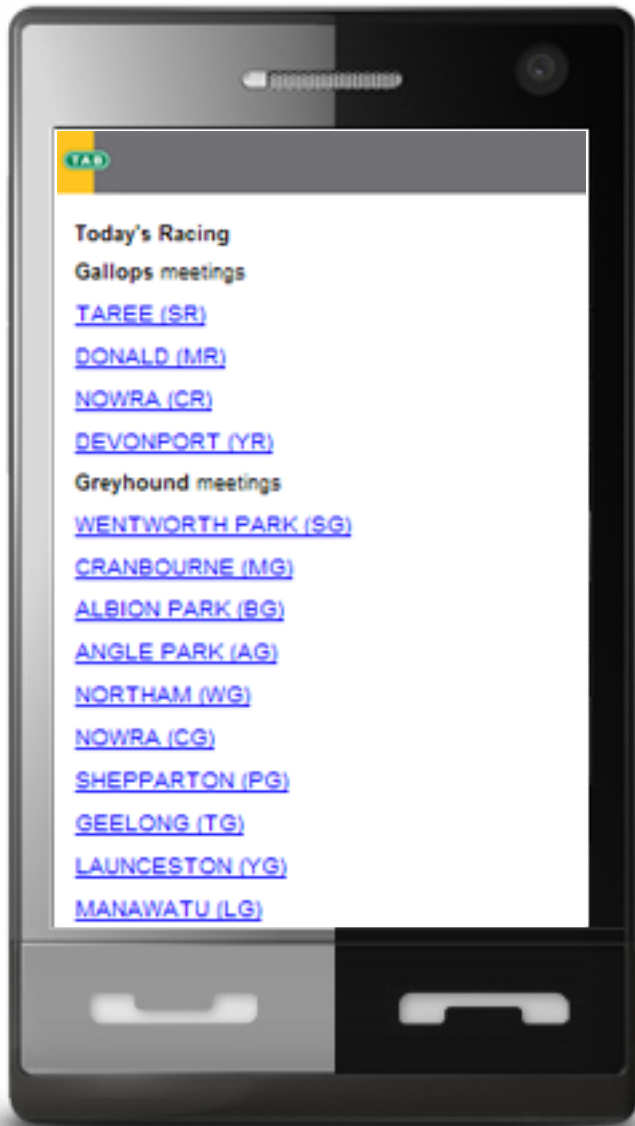

By selecting **ALL** from the Next To Go menu the next 5 races to go will be displayed.

You are able to filter the races by meeting type if you select **Gallops**, **Greys** or **Harness**.

In order to place a bet, select the race you are interested in.

*The images of mobile phone and its contents are for illustration purpose only.

Please check with your telco regarding fees and charges for using data services on your mobile device.

5. Today's Racing

Selecting **Today's Racing** from the Racing Home page will display all races for today sorted by meeting type.

To place a bet select the meeting and then the race you are interested in.

*The images of mobile phone and its contents are for illustration purpose only.
